

Checklist for Admissions Process

Please take this opportunity to better acquaint yourself with Central Valley Christian School. Your desire to find the best school in which to nurture your child's spiritual and academic progress is to be commended.

Openings in all grades are limited; therefore your date of application is very important. Returning the application form along with the other requested forms of information will expedite the enrollment process. Please follow the guideline dates of Priority Registration and Open Enrollment.

You are encouraged to pray earnestly about the momentous decision you are considering. Place your hope on the Lord's promise in Proverbs 3:5-6, "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him, and He will direct your paths."

We would be delighted if the Lord directs your path to join the Central Valley Christian School community. Please feel free to call the admissions office if you have further questions or would like to schedule a campus tour.
