

## EXCELLENT ONLINE DATA BASES

Find **GREAT** information at your local public library Online !!!  
You will need a **library card number**.

<http://tularecountylibrary.org> if you have a Tulare county library card;  
at the public library site click on the **Online Resources** link

The four excellent online data bases are:

**InfoTrac, Opposing View Points, Health and Wellness Resource Center,** and **Newsbank**, choose Access From Home

<http://kingscountylibrary.org> if you have a Kings county library card;  
at the public library web site look at **Resources** and then choose  
from **Useful web site links**, or **Access our subscription databases**  
then choose **Infotrac** or **Newsbank**.

<http://www.ipl.org/div/teen/aplus/> This site is the Internet Public  
Library with a link to, *How to Write an A+ Research Paper*.

Other search engines besides Google are:

<http://dogpile.com>

<http://www.webcrawler.com/>

<http://www.altavista.com>

<http://infoplease.com>

<http://alltheweb.com>

Tip: Use Alt Tab to go back and forth between windows when you  
need to copy and paste addresses for bibliography.
