**Used Treasures** thanks our many donors and contributors who have supported our store over the past ten years. The donation of your used items has allowed us to continue the ministry of providing quality and affordable clothing and household items to the people of Tulare County. They also have provided \$1,100,000.00 of support to Sierra Village and Central Valley Christian since we opened in August, 2000.

To continue this ministry we need your donations of used items and your valuable time– we are always short of help in the store.

Donations can be dropped off in the little house at CVC Middle School, or in the trailer in Sierra Village or at the Used Treasures Store located at 232 S. K Street in Tulare. For large items call **Used Treasures** at 684-8919. Thank you.
