**Be the Light**

_For you were once darkness but now you are light in the Lord. Live as children of light._

Ephesians 5:8

This year’s school theme and verse challenged us to be light in a world that is often very dark. Jesus summarized the entire law down to simple commands – Love God and love your neighbor. Often, it is loving our neighbor that also demonstrates our love for God, and when we love as Jesus loved, we are beacons of light for the world around us.

That theme was challenged when, on March 13, we went dark. Our school’s campuses were abandoned as schools around the country were, to protect citizens, including our students and families, from the deadly corona virus. Despite the threat of illness and despite the loss of opportunities to gather on campus, education went on. Not only did education go on, but our opportunities to be light also continued.

We had over 50 students and parents volunteer to help others with things like tutoring, daycare, running errands and more. When families reported job loss and the accompanying loss of income, over 30 families rallied to raise over $40,000 to help cover tuition for the remaining months of the school year. Yes, sometimes the light that shines and the love that is shown, is demonstrated right here at home.

It was an unusual year, one that I’m sure will be talked about for decades. Other things seem kind of mundane in comparison to the virus, the social distancing, the face masks, and the distance learning, but there were other things that happened. We raised another million dollars toward our new building. We have about a million still to go. We maintained accreditation through Christian Schools International and Western Association of Schools and Colleges. We completed a year of training 20 of our teachers in the “Teaching for Transformation” program and have plans to adopt the program with the rest of the staff in the coming school year. We experienced another year of gradual and steady growth in enrollment, something we’ve experienced each year since 2014. There is more and you can read about it in the various summaries of our committees in this packet.

We can’t do this without the support of the CVC community. Thank you for being a community that believes strongly in Christian education. Thank you for being a community that prays. Thank you for your generous financial support. In the past two months, our teachers and staff have sensed overwhelming appreciation for the work that gets done here at CVC. That support comes in the form of cards, phone calls and emails. Do not underestimate the power of a kind word of thanks and appreciation. That emotional support might be the most significant of all.

It is a pleasure to be doing this important work with all of you.

Sincerely,

Larry Baker
Superintendent
School Board Nominee

Name: Jake Bosma
Church: Tulare Community Church
Spouse: Terri
Children: Brittany Doornenbal (class of 2003), Allison Haagsma (class of 2006), Curtis (class of 2010)
CVC alumnus: No
Current job/occupation: Almond Farmer

Past experience on boards or service roles:
I have previously served as a CVC Board member 2 times, as a Deacon and Elder in our church, and on the Reaching Higher Board.

Comments on why you are willing to be a CVC School Board member:
CVC is a special place in our community, and has a special place in my heart. Our 3 children all went through CVC from k-12. I believe they are more mature in their faith because of it. We are all called to share the Gospel, encourage one another, and be continually maturing in the knowledge of Christ, CVC plays a big role in this for students and parents. I will encourage the staff and board to continue in this role.

Fun Facts:
I grew up in Ontario CA. where I attended and graduated from Ontario Christian School. I worked as a dairy farmer there until 1990, when we moved our business to the Central Valley. We enjoy visiting our 3 married children, and 3 grandsons.

Name: Jillian Bos
Church: Tulare Community Church
Spouse: Rick
Children: Graham (8), Jack (5), Grace (3)
Current Job/Occupation: Real Estate
CVC alumnus: Yes

Past experiences on boards or service roles:
Kaweah Delta Hospital Foundation, Golden State YMCA, CVC School Merchandise

Comments on why you are willing to be a CVC School Board member:
As someone who has been raised in the CVC Community, I will always be thankful for the incredible experiences I had as a student, academically, socially, and spiritually. As a CVC parent, it is remarkable to see how our school has grown over the years. I also feel very aware of all the people it takes to make a school like ours so impactful - Outstanding teachers, coaches, staff, bus drivers, pastors, parents, grandparents, and so many others. I’m willing to take a turn on the CVC School Board and serve alongside others who believe in the mission of Central Valley Christian School the way my husband and I do, and the same way our parents did. What an honor this would be!

Fun Facts:
I was born and raised in Visalia, Calif. My husband, Rick, and I both attended CVC k-12. I graduated from Pepperdine University in 2005, and post college lived in Los Angeles where I started my career in real estate in 2007. I moved back “home” in 2010 when Rick and I got married. Today, I continue to enjoy my work in the real estate industry. I’m most passionate about my family and the time we spend together.

Past experiences on boards or service roles:
I have served a three year term as Deacon, have been a Cadet Counselor and served on various committees at Trinity URC. I have also been a solicitor for the CVC School Sale.

Comments of why you are willing to be a CVC School Board member:
As an alumni of CVC, I have been blessed with a solid Christian education and am excited to have our children start school. As a family, we hope that through our school and church we can provide a solid foundation, equipping them with the tools they need to go out into the world. It is a privilege to be nominated for the school board, and it is my prayer, that we as a community can bring all honor and glory to God through CVC.

Fun Facts:
I was raised in Chino and attended Ontario Christian School until we moved to the Central Valley upon graduation of grade school. Attended CVC for high school and graduated in 2004. After that I moved out to Dordt College and completed a degree in Business. Following graduation, I settled back in Tulare and have worked with my dad ever since. I have been married to Laura for seven years and we have been blessed with three children, with our fourth coming this summer.

I. Board President Dave Zuiderveld called the meeting to order and welcomed the society members.

II. Rev. Tim Keep led devotions based on the school year theme, Speak Life, based on Psalm 19:14. He read from Proverbs 17 and spoke about how Jesus used restraint with His words, the power of our words, and when it is wise to hold our tongue.

III. The minutes of the April 24, 2018, Society Meeting were provided in the newsletter and have been previously approved by the School Board.

IV. Dave Zuiderveld recognized the monetary gifts and service provided to the school.
   a. Endowment - $99,123 given directly to the school, $1,950 in scholarships
   b. Used Treasures - $45,000 to the CVC Endowment Fund.
   c. Mother’s Club - $54,967 for various items and projects across the four campuses.
   d. SCRIP – to date, $60,000 back to the school and $41,000 back as tuition credit.

V. Larry Baker introduced current Board Members and acknowledged and thanked retiring board members (Dave Zuiderveld, Kaye Verhoeven, Peter deJong, David Bekedam), pointing out which committees they served on and the unique traits of each that were appreciated.

VI. Dave Zuiderveld introduced the Board nominees: Gerrit de Jong, Mark Tos (HCR); Nathan Heeringa, Wout Vander Goot (TURC); Ron Locke, Jason Verhoeven (TCC); Johnnie de Jong, Christine Van Woudenberg (VCRC).

VII. Approved by motion to accept 81 absentee ballots. Society members present were given ballots to cast their votes; one vote per Foundational Church.

VIII. Several members of the Board collected the ballots and then left to count them.

IX. Larry Baker recognized and thanked staff members who will not be returning to CVC next year: Katie Talsma, Natalie Hulst, Delinda Irvine, Anna Schuil, Dennis Rietema, Dan Ruiter, Codie Hedlund, Sue Batchelor, Jennifer Carnes, Darlene Coffman, Frank Requejo, and Michelle Rispens. A monetary gift was given for their years of service.

X. Committee and School Highlights:
   a. Special Number from ASAPH - CVCHS Chamber Choir
   b. Special Number from KPT - CVCES Kids Praise Team
   c. Joint Special Number - ASAPH & KPT

XI. Aaron Van Dyk, Board Treasurer, explained the proposed budget and the increases that are needed for the next year. He highlighted the significant contributions that are required for CSI Pension Plan, Emergency Fund CDs that were purchased this year to generate income, and the FFA Program rolling into the general budget, as planned. He thanked the Society for their generosity and support for Christian Education at CVC. An opportunity for discussion and questions was given.

XII. The 2019/2020 budget was approved verbally by motion.

XIII. Dave Zuiderveld announced the results of the election:
   - Hanford Christian Reformed Church - Mark Tos
   - Tulare Community Church – Ron Locke
   - Visalia Christian Reformed Church – Christine Van Woudenberg
   - Trinity United Reformed Church – Nathan Heeringa

XIV. Dave Zuiderveld’s closing remarks were entitled “Speak Life” and what that means to him. He shared that the most significant way we speak life to each other is by sharing the gospel. He read from 1 Thessalonians 5:10-11 in which we are instructed to encourage and build each other up. Dave closed in prayer and invited everyone to enjoy fellowship outside.

Respectfully submitted,
Kelly Verdegaal, 2018/2019 Board Secretary
Committee Reports

Executive Committee

Gary Bosma—President, Kelly Verdegaal—Vice President, Aaron Van Dyk—Treasurer, Jeanette Callison—Secretary, and Superintendent Larry Baker (non-voting member)

The Executive Committee started the year by assigning board members to committees, reviewing the assignments of the committees and reviewing our own duties. Each member of the Executive Committee was assigned to be a mentor to a new board member. We reviewed admission standards and other policies that are currently in the handbook. The committee dealt with some student discipline issues and concerns of parents. We evaluated the administration and their goals for the year. Each administrator met with the committee throughout the year. We also addressed athletic concerns and some ad hoc committee issues. There was discussion and inquiry about CVC partnering with homeschool parents and what those opportunities might look like. We addressed how we might properly remember the many great things Dr. De Leeuw has done for our school. Looking forward to next school year the committee worked on putting together a calendar along with employee agreements for all the staff. We came up with and reviewed board nominees for next year. Just as we thought we were on the downhill slide for the year, COVID-19 came along.

Finance Committee

Arron Van Dyk—Board Treasurer and Chair, Larry Baker—Superintendent, Michelle Daley—Finance Director, Dane Moll—Human Resources, Gary Bosma, Amy Griffith, Phil Heynen, Frank Leyendekker, and Mark Tos

The Finance Committee meets monthly to review and discuss the financial matters of the Central Valley Christian School society. The responsibilities of the committee include recommending the annual budget to the Board each year, oversight of the various sources of income and how funds are disbursed related to the functions of the school and consideration of variable tuition requests from families. We are blessed by our generous and faithful Lord; as well as a Society committed to providing Christian education.
### Ag Advisory Committee

**Doug DeGroff – Chair, Mike Pitman – Vice Chair, Laura Gordan – Secretary**

The Agricultural Education Department at CVC is led by Department head Ms. Kadie Calac and Mr. Frank Orique. A large component of the program is the Future Farmers of America organization.

The National FFA organization requires that each chapter have an Ag Advisory Committee which sets the direction for the program and is required to make periodic reports to the national leadership.

### Building & Grounds/Transportation

**Ron Locke – Chair, Larry Baker, Case Brouwer, Beth Koetsier, Dane Moll, Chris Noland, Donna Westra, Greg Wiersma**

**Transportation:** We welcomed several new bus drivers this year and are thankful to God for providing our drivers and students with another safe year on the road. Our bus fleet continues to improve as older equipment is replaced with new buses, paid for in part by generous state grants.

**Buildings and Grounds:** We have been working hard to keep the campuses safe, clean and attractive. In addition, a full-time groundskeeper was added to our staff this year. We thank our dedicated custodial staff and the ABM night crew for all the extra, unseen work they do to keep our campuses looking good. Special safety fundraisers have provided monies used to install electronic locks on campus entry doors, and video cameras are being installed throughout each campus as well. We are three quarters to our goal of raising the funds to complete a multi use building for our Ag/Shop/Art programs. Your faithful support is greatly appreciated!

### Promotion Committee

**Kelly Verdegaal - Chair, Marissa Carpenter, Nicole Mulder, Christine Van Woudenburg, Larry Baker**

The Promotions Committee meets once a month to review the current and upcoming tasks and to support the staff who work diligently through-out the year. The Marketing & Enrollment Department placed social media advertisements, with an emphasis on admissions event sign-ups, such as Experience CVC and Preview Night. Kindergarten enrollment for the upcoming year is thriving and is set to be at capacity. Last year, the department was able to fully integrate our new family mentor program and it has proven to be a valued feature. Our committee is blessed to support Marissa and Nicole, who are both exceptional. We are grateful for the faithfulness of the CVC Society, and we look forward to what God has in store for us here!
Endowment Foundation Report

President: Art Van Beek, Vice President: Steve Scheenstra, Treasurer: Dane Moll, Secretary: Jeannette DeGroot

Your Endowment Foundations purpose is to serve the need to control the cost of tuition at Central Valley Christian School. The value of the endowment foundation stood at $2,474,535.96 as of January 1, 2019. Its purpose is to reduce the cost of tuition at Central Valley Christian School.

Families are starting to use the Endowment Foundation as a way to honor the passing of a loved one or to celebrate a special occasion such as an Anniversary, Birthday or Graduation.

There is also the more tradition given through estate planning and wills. The Barnabas Foundation who manages our Fund is available to help with these sorts of plans free of charge. Big or small we are thankful for each and every gift.

SCRIP Program

Because of the success of the SCRIP program and the amount of business that flows through that office, it is under the supervision of the Finance Committee. SCRIP has consistently been one of our fundraisers that not only helps the school but thanks parents by returning some of the profits back to them in the form of a tuition rebate. It is a win-win situation that benefits both school and parents. We encourage more families to utilize the SCRIP program and are thankful for our faithful families who currently are buying SCRIP. The SCRIP office is located in the Elementary Administration Building and its operation hours can be found on the school website at www.cvc.org.

High School Education Committee

Gary Bosma – Chair, Scott Kosteleyk, Becky Kroeze, Mark Rip, Tami Valov, Michael Kornelis, Lori Reeves, Krista Wright

This year in the HS Ed committee we completed reviews of the athletic department, PE department, Industrial Arts curriculum and the English curriculum. We explored, discussed and recommended a possible home school partnership. Every month we review minutes of the meetings of the Ag Boosters and Ag Advisory committees. We hired a new Ag teacher to run the FFA program starting in the fall. The committee has just finished conducting interviews for a math/science teacher. We reviewed and recommended the curriculum for a new upper level AP Computer course that will be offered in the fall.
Middle School Education Committee

Jeanette Callison – Chair; Christine Van Woudenberg, Sharol De Groot, Jennifer Kostelyk, Jim Elsenbroek, Ally Kornelis, Blake Hiemstra

The Middle School Education Committee meets on the second Monday of the month and is comprised of board members, middle school administration, faculty, and society members. In addition to the normal duties of hiring new teachers, supervising the curriculum and overseeing student discipline, this year the committee, at the behest of the School Board, conducted an extensive evaluation of the House System that’s been in place at the middle school since 2017. We surveyed parents, teachers, students and former students, and discovered that it’s a much-appreciated, valuable part of the middle school program but can be refined and improved in a few ways.

The committee oversaw a significant shuffle of middle school teachers, with Brooke Barton and Christy Boyd transitioning from part-time to full-time MS status, Stacy Soerens joining the crew part-time (along with part-time elementary PE) and Jacob Kitson coming on as the full-time MS math teacher. In addition, Rachelle Van Essendelft’s hiring as the K-8 counselor enabled us to end our three-year contractual relationship with Fresno Pacific’s On-Site Counseling program. All of these staffing changes have been overwhelmingly positive.

We’re indeed blessed by a Dream Team of teachers who are “all in,” who model Christ’s love daily and who engage students with the wonders of creation.

Elementary Education

Donna Westra-Chair, Nathaniel Neese, Mark Branderhorst, Irene Hooyer, Robyn Boertje, Alison De Groff, Melissa Roark

The Elementary Education Committee meets the second Monday of every month. Our team is made up of the elementary principal, a lower elementary, and upper elementary teacher, two board members and two parents of elementary students.

Each month we begin our meeting by inviting one grade level to come in and join us to let us know how their year is going. They are able to share with us anything exciting that is happening at their grade level as well as any challenges or concerns that they may have. It is also an opportunity for us to thank them for their work. We review one subject area each year to try to make sure that our students are getting the best education possible. This year we are looking into a new English/Language arts curriculum for grades 3-6, last year we found a new one for grades K-2 that the teachers love. Next year we will reevaluate the math curriculum. We try to keep up with the many activities on the elementary campus and each meeting is opened and closed with prayer for our school, teachers, staff, and students.

We are thankful for all that God is doing on the elementary campus and we continue to desire to honor and glorify Him in all that we do.
The Preschool Committee

Robyn Boertje – Chair, Deana McCoy – Director, Jeanette Callison, Cathy Hunter, Olivia Anguiano, Jennifer Mihalcin, Emma Van Beek, Danelle Brown

The Preschool Committee meets the second Tuesday of each month and is responsible for staffing and curriculum oversight. The staff here has been very stable and we are blessed by their dedication to the families who entrust their children to CVC.

The preschool adopted a new writing curriculum this school year. The goal is to coincide with the newly adopted language arts curriculum that is new to our kindergarten and early elementary. This allows consistency in verbiage to help students form a good foundation for future years of learning. The transition has gone smoothly thanks to willing and capable staff. Our hope is that continued collaboration between preschool and elementary staff will help make the children’s transition to elementary a success.

The preschool is grateful for another successful fundraiser that has allowed the purchase of new toys, equipment, and upgraded for the classrooms.

We are also happy to report the preschool is almost full for the upcoming year. We are grateful to serve and support the students, families, and staff. Please continue to pray for the preschool and the health of students and families.

Mothers Club Society Report

Julie Bajari – President, Phoebe Burton– Vice President, Amy Kaminski– Secretary, Kristy Reed– Treasurer, Danelle Brown – Vice-All, Ciara Chase – Hospitality, Leslie Neese – Hospitality, Crystal Smith – Publicity

The Mothers Club mission is to provide support to the staff and students at CVC. As an auxiliary club of CVC, our purpose is to prayerfully aim for a closer relationship between home and school. We raise funds to enhance our classrooms and provide for the educational needs of the students at CVC. Our two main fundraisers continue to be the Fall festival and ice cream sales at the World Ag Expo each year. We provide support by offering a place to volunteer for school activities, social events and day-to-day opportunities on campus. Lastly, we connect with parents; providing an opportunity for them to meet other parents and be part of the CVC community.

We continue to provide funds for new and returning teachers to help meet the needs of their classrooms. We continue to give four scholarships each year for our high school seniors. We continue to support CVC’s fine arts and sports programs, as well as field trips, classroom supplies and more. We have had a wonderful year being guided by our theme, “Be the Light”. We strive to lead by example and to “Be the Light” to those we come in contact with on and off of our campus. We look forward to serving our school for many years to come.
Technology Committee

Scott Kostelyk - Chair, Ben Houseward, Nathan De Groot, Dorinda Koelewyn, Julie Cardoza, Kevin langmaack, Larry Baker, Adrian Dieleman

The Technology Committee has been advancing in our mission to equip and inspire hearts and minds to transform the world for Christ, even when students are not physically on campus. The progress we made in the last few years of our 1:1 initiative allowed us to send home a device with every student so they could stay connected with their class when campuses closed in the midst of the COVID-19 pandemic. Teachers were ready to deliver content to their students and students were familiar with these tools. In an unprecedented time, we were prepared. Earlier this year our Technology Integrator, Nathan De Groot, introduced the Dynamic Learning Project. He has been working with groups of teachers across the campus to help them identify challenges in the classroom and utilize a strategy to help overcome that challenge. Teachers working with Nathan have grown in their technology usage and students benefit from the varied learning opportunities. Dorinda Koelewyn and Nathan have continued providing a Makerspace opportunity during focus time in the high school, and that program has also been implemented in the elementary by Julie Cardoza where 4th-6th grade students can come build, design, create, craft, and collaborate. There are weekly challenges and monthly competition events that allow students to problem solve and work as a team, which has given many students a place to belong and use their talents. Also at the elementary level, the 6th graders have been working together on a variety of coding projects offered through CSFirst, an easy-to-use computer science program through Google. This curriculum has supplemented their use of Learning.com this year. Finally, we are adding a new computer science course to the 2020-2021 school year aimed at students who show an interest in computing and programming. This course will follow the AP Computer Science A guidelines and will be a great stepping stone for students interested in pursuing a Computer Science major. As you can see, this year has been a big pivot point in using technology in new ways, and we’re excited for what the next year holds.

Ag Boosters Club

Jason Shaw- President, Kelly Kroes & Christian Neese – Co-Vice Presidents, Diane Schmidt – Treasurer, Jodi Schotanus – Secretary, Kadie Calac – CVCHS FFA Advisor

The Ag Boosters Club was formed to support CVC Ag Education through fundraising, volunteering, and encouraging the development of agricultural leadership. Ag Boosters meetings are held throughout the year in Ms. Calac’s classroom while the students hold their regular FFA meetings. Anyone is welcome to support the Ag Booster Club and attend our meetings. We had success selling orange boxes during December and will continue to apply for funds from businesses and corporations that have designated money specifically for high school ag education. A budget of where these funds will be used was approved by the Ag Advisory Committee, and we look forward to putting the money raised toward scholarships, ag classroom needs, and additional ag education expenses.
Boosters Executive Committee

Rich Vander Tuig - Chair, Kent McNiece, Christine Schaap, Andrea Bouman, Steven Annema

The Boosters Club is an organization of CVC parents and supporters who encourage interscholastic athletics at CVC. The Boosters Club has been very generously supported through its fundraisers which include the Pancake Breakfast, The Sports Book, Stadium Banners, Concession Stands, and the Golf Tournament. Due to these fundraisers, the Boosters Club has been able to supply team uniforms, send coaches to training camps, and provide varsity athletes with end-of-season dinners. Boosters will also supply a variety of equipment to a sport when requested and not covered by the regular budget. Please note that all parents and supporters of CVC are eligible for membership, especially parents of athletes. The Boosters Club needs more people to be involved. If you have a student athlete at CVC or enjoy CVC and sports, please join us! Boosters encourages good sportsmanship and proper behavior from all of its fans because we represent something greater than just our student athletes and the school. God has continued to bless the athletic programs at CVC. We are grateful to God and give Him the glory and honor in all that we do.

Fundraising Committee

Chairman - Aaron Van Dyk, Members- Nathan Heeringa, Frank Leyendekker, Mark Tos

The fundraising committee meets several times throughout the year to discuss, plan and delegate responsibilities for the different fundraisers that happen at CVC. The main fundraisers that happen each year are The Beef Cow Drive, Fall Drive and the Annual School Sale Auction. This year the School sale has required much more work from the committee since Mike Frings retired from being the head of this event. The CVC committee has been very generous, and we are thankful for that.
